TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other: Claim 1 is identified as "(Currently Amended)" but it is unclear if the claim is amended or not amended as the only possible claim amendment marking found is information within single brackets wherein the information is in the structure of formula(I). It is noted that single brackets are not proper identifiers of information to be deleted, rather double brackets ("[" and "]") are the required brackets for marking deleted information (see 37 CFR 1.121(c)(2)). If the information within the single brackets is not intended to be deleted, then the claim should not be identified as "(Currently Amended)", unless there is another amendment to the claim which is not presently identified with proper markings (underline, strike-through, double brackets). Therefore, proposed claim 1 is either given an improper status identifier (i.e., "(Currently Amended)") or the text markings are improper or not present at all. Filing of a correct claim amendment is required before prosecution can proceed.
